JANUARY/FEBRUARY 2022

CAN YOU SENSE THE OPTIMISM?

I don't know what it was, but when the calendar clicked over from 2021 to 2022, someone definitely pushed the reset button. The heartache, hopelessness, high levels of anxiety associated with 2021 (a particularly difficult year for all!) somehow gave way to renewed sense of optimism. There's obviously the usual 'fresh start' that January brings for all of us, as we set goals and new years resolutions - but this optimism feels a bit weightier than that. In my opinion, we have all emerged stronger from the 'cacoon' of the past two years, with global pandemics, economic collapse, widespread looting & crime, personal loss teaching us all that we are not victims of our circumstances but have within us the power to build the lives & community we dream of.

With this 'air of optimism' we are seeing fresh passion to unite together for positive change. This looks like our business community putting their hands up and committing their resources to finding solutions that plague our community. This looks like local government leading with a fresh vision for our people, championing the cause of clean governance and collaborative solutions that will bring about sustainable change. This looks like a community committing themselves to empower those less fortunate, and participate in building a town we can all be proud of. This looks like you and me believing that our best days lie ahead of us!

YOU ARE INVITED!

We look forward to seeing ALL OF YOU at our Annual Banquet, brought to you by Greendale Spar, on 24 February as we celebrate all the good that has come about the past two years. Resilience, compassion and unity characterise this beautiful region - and this is what we hope to showcase at this Banquet. Bring your friends and let's celebrate together!

PORTRAIT OF COURAGE

Meet Khuthalo Mali, a 47 year old living in Pietermaritzburg who has a passion for sewing, She, however could not pursue that passion because she had eye problems, When a friend told her about the Dream Centre, she got excited to hear that there was a sewing course. When she came to register for the course, she was given an appointment at Dr Rod Hastie who fitted her with a pair of glasses at no cost.
"I managed to do my course with confidence and good vision. Thank you Dream Centre for all you are doing."

SANTA SCHOOL BOX DROP OFF

We have hit the road running making sure we put smiles on our young learners' faces packing and handing over one hundred and sixty stationery packs to three local under resourced schools. With the support of the public, DJ's Pick and Pay and Nottingham Road Spar we were able to equip our next generation for the 2022 year.

This is what one of the recipient schools had to say: "Thank you so much for your wonderful, very welcome and professional handover of the stationary packs. WOW – what an amazing group of helpers and such organisation. We're very thrilled to be part of your community effort!"
