

When my kids celebrate a birthday, this celebration is not just about cake and gifts. Rather, for us as parents, it's a reminder of the privilege of life, relationships, and destiny unfolding in our homes. It is also a reminder that we survived another year, and we are another step closer to seeing our kids purpose unfold.

We feel the same here at Love Howick as we celebrate our 5th Birthday! We have not only survived another year but have seen: incredible progress towards our long-term purpose, stronger community relationships that are together working for a better Howick, and more lives impacted positively. Here is a snapshot of some of the milestones we are celebrating:

- Our team grew from one full-time staff member and a few passionate volunteers to four full time staff, 15 interns and lots of volunteers
- We saw people go through our month Job Readiness course, with 64 % finding jobs as a result of our programmes
- Our students volunteered/performed work experience in the following organisations Merrivale Spar, Greendale spar, Fairways and some schools
- We recycled 11 big bags of rubbish
- We fed & clothed 63 families
- Areas brush cut 14000 m<sup>2</sup>. Verges and pavements cleaned 5904 m<sup>2</sup>. Bugweed trees cut 237. Litter removed 17 bags. Gardens cleared 200 m<sup>2</sup>. Drains unblocked 2. Road surface swept 912 m<sup>2</sup>
- We saw the following new training programmes introduced this year: Entrepreneurship, Sewing & Dress-Making, Baking, Worm Farming, Home-based Care, Beauty (Makeup, Manicure and Eyebrows & Tinting)
- And more!

Our biggest goal is to unite our community for positive change, giving opportunities for everyone to volunteer & donate to a cause bigger than themselves. We thank all our faithful volunteers, donors, & staff for all they have given to our dream of a prosperous community. You are the heroes of this story and we applaud you all! Lets dream of what could be this next year as we commit to serving together!

# MEET Zethembe Makhaye

Zethembe Makhaye, 22 years old, lives in Elandskop. He joined the Dream Centre classes 2 years ago. "I could only just say the Dream Centre has been the root for everything I have achieved so far in my life. Before I heard about the Dream Centre I was negative about myself and thought that since I grew up around people who were unemployed and poverty-stricken, that I will never achieve any great things in my life. But in joining the Dream Centre courses, all of that suddenly changed. I am now working, I am now getting confident about my life and even now I am still hungry for more success in life."

Zethembe is now working part-time for Love Howick, in our media and videography department. It is a pleasure working with you, Zethembe, and we are so excited to watch you grow even more as you step into your destiny!
